

Suggested structure to extra writing topic of Unit 9

Greeting	- Hi James,
Introduction	<ul style="list-style-type: none"> - I hope you're doing well. - I'm glad to hear that you want to further improve your academic results so you are planning to attend tutorial classes. - You want to hear my views about it, don't you? - tell you both advantages and disadvantages of attending tutorial classes
Body	<ul style="list-style-type: none"> - Attending tutorial classes can help you revise the subjects. - have extra practice - keep pace with the class - Attending tutorial classes can also allow you to learn exam skills. - Provide useful study notes and tips - tackle the questions easily
	<ul style="list-style-type: none"> - Attending tutorial classes can exhaust you. - finish class late at night - have less leisure time to relax - Tutorial classes also cost a lot of money. - high tuition fees - have a financial burden
Conclusion	<ul style="list-style-type: none"> - I understand tutorial classes sound convincing and promising. However, if I were you, I would rather try my own best than going to tutorial schools. - miss some techniques - teachers in school are very patient and kind to give you advice and help you catch up with the class - I sincerely hope that my advice can help you make the right decision. Good luck!
Closing	- With best wishes,
