Part 2

Johnny is reading a letter now.

Read the letter.

Dear Editor,

I'm a big fan of *Smart Kids Weekly*. I started reading it when I was seven years old. I am still reading it now.

I like the new section, 'Weekly Idols'. I can read about my favourite idols. Can you please talk about Janice in your next issue? I love her music and I think she is beautiful. The comic strips and stories in your magazine are fun too!

My brother likes 'A Little Scientist' but I don't like it. It's not interesting. It's for boys only. Can you add some pages about girls' interests like cooking? Then, I can cook with my mum at weekends. Thank you very much!

Best,
Nancy Chow (9)
