That night, Tina could not fall asleep. She woke up, took Mr Mouse's trousers and a pair of scissors. She thought it would be a nice surprise for her brother.

At 1 am, Mimi woke up for a glass of water. She decided to help her dad. A while later, Jake woke up. He also wanted to help, so he made his father's trousers shorter, then went back to bed. Ella got up very early. She remembered her husband's trousers, so she took them and worked on them too.
