### The Petersons

This film is about an amazing family. Every member of the family has a unique super power. Mr Peterson is very strong. He can lift a car up with his head. Mrs Peterson can run so fast that you cannot see her passing by. Their daughter, Amy, can jump as high as a skyscraper. Amy's brother, Eddie, can fly like a bird. Last but not least, the youngest of the family, Little Honey, can walk on her hands. She is only eight months old! The Petersons make good use of their special powers to help their neighbours.

One day, a man called Mr Dark moves into the house next to the Petersons. Mr Dark is very strange and he secretly wants to destroy the world. Amy and Eddie discover the secret when they accidentally break the window of Mr Dark's house while they are playing football.

10

I think this film is brilliant. It is short but exciting. The actor who plays the role of Mr Dark has done a good job. He is bad but funny. Children will have a good laugh while watching this film.
