We can't believe Tokyo is a city with so many department stores. They are all very big and modern. We have spent much time shopping around. We have visited Osaka as well. Similar to Tokyo, there are many shopping centres and restaurants. We have eaten a lot here and we are afraid that we will have to lose weight after coming back. We are now taking a train to Mount Fuji. Also, we have exchanged e-mail addresses with a Japanese girl called Akira in Tokyo. She is very nice. She gave us many travel tips for visiting Japan.</p> <p>Best, Tammy and Karen</p>	 <p>Kathy Chan Flat C, 28/F, Block 8 Flower Building Mong Kok Kowloon</p>

Suddenly, the door of the spaceship opened. A group of aliens appeared. He was terrified as he had never seen such creatures before. They had long tails and their heads were oval. He was a little scared but he continued to see what they were going to do. Suddenly, one of the aliens discovered Peter so he ran away quickly. Then, a man behind him said 'Good take!' and all the aliens took off their masks. Peter saw several famous actors such as Tim Cheung, David Tsang and Mary Tsui. He finally realised that they were making a film. The film director on the other side went towards Peter and said, 'I'm sorry to have frightened you, but I hope you can keep it a secret. We don't want others to know the story yet.' Peter replied with a nod.
