Mum, Dad and my elder sisters saw me off at the airport this morning. I was quite worried because it was the first time I travelled alone.

At 7 am, the plane took off. When the plane **landed** at Incheon International Airport, it was 11 am in South Korea. South Korea time is one hour ahead of Hong Kong time. We took a **coach** to Ewha Womans University. We walked around the campus to get to know the **facilities**.

It was a very pleasant day. I am looking forward to the rest of the tour.

This morning, we got the timetable for the classes. After a short introduction to the course by Mr Kim, a staff member of the university, he brought us to a restaurant to have traditional Korean food for lunch.

In the morning from Monday to Friday, we're going to have Korean lessons. On Tuesday and Thursday afternoons, we'll also have cultural activities such as playing Korean **musical instruments**, learning **taekwondo** and watching cultural performances. On the other three afternoons, we're going to visit some famous attractions such as the Seoul Tower.

We'll be going to Seoraksan this Sunday. We're all excited about the beautiful snowy mountain. We'll hike to the top of the mountain and take the cable car. I want to make a snowman and have a snowball fight with the others. I am especially looking forward to trying more delicious Korean food!
