Dear Kelly,

How are you? I was sad that I didn't see you at school today. I was expecting to see you on the first day of our new term. We received the **e.g.** timetable from our teacher today. We have 1. _____ lessons every day. Each morning, we have 20 2. _____ of reading time. Although we are busy every day, we have a recess in the morning and another one 3. _____ lunch. We have a session to do our 4. _____ just before we leave school.

Have you joined any interest classes? We will have those classes on 5. _____. I will go to China during the Chinese New Year, so I am happy that we have a 6. _____ class on every Thursday afternoon. I hope I will see you at school tomorrow. Don't be late! See you in the classroom before 7. _____ o'clock.

Love,
Jenny
