Topic: ‘Missing You’ – Great!

Wow, I didn’t think ‘Missing You’ would be so good! The song tells the real story of a boy. The melody and lyrics are really touching! It’s about a boy and a girl who are going to get married. A few days before the wedding day, the girl dies in a car accident. The boy misses her a lot and writes a song for her. Thanks to my best friend Kay who asked me to listen to it.

Nancy, I think ‘Missing You’ is a good song, but I like cheerful songs better! ‘Love Forever’ is good for us in sad times. In the song, a girl is getting married soon. She always **longs for** her wedding day. She keeps dreaming about the sweet and romantic moments on that day. The guitar music is relaxing too!

Nancy and Macy, I’m fed up with love songs these days! (Valentine’s Day is coming and TVG keeps playing them day and night!) ‘Bicycle’ is my favourite lately. It is sung by the rock singer, Edison Wu. The song is about a man who misses the days of riding a bicycle with his dad. It makes me feel warm.

I watched the cartoon *Pakimon* on TV last week. The theme song ‘Let’s Go’ is amazing! It’s about four friends going on an exciting trip. ‘Missing You’ and ‘Love Forever’ are great love songs. I bet everyone loves them! And ‘Bicycle’ tells a good message. However, I prefer to listen to songs that make me feel excited.
