Today was the day of the camping trip. I was over the moon as it was my first time to go camping. I woke up earlier than usual and arrived at school thirty minutes before the meeting time of 9 am. My class teacher, Mr Lee, did a roll call as we were waiting for the coach. Then we set off for the campsite.

We arrived there at about 11 am. Mr Lee divided us into groups of four. I was glad that I was in the same group as Ada, Jimmy and Carlos. Next Mr Lee asked us to listen to his instructions carefully and demonstrated how to set up a tent.

After we settled down, we played some group games. I thought it was an amazing experience as I could learn how to communicate and work with my groupmates. At night, Mr Lee lit a fire for the barbecue. We all sat around it to grill the food. It was really delicious! What a pleasant day!

After a good night's sleep, we were all ready to begin our day. The first activity of the day was the singing competition. Although I did not win, I was still happy that my groupmate, Ada, did.

Next it was the cooking competition. We had to make a dish with the food found at the campsite. The boys in my group caught a small fish in the river, and Ada and I picked some fruit from the trees. We made a wonderful dish. We even won the cooking competition as Mr Lee thought that our dish was creative and refreshing!

Finally it was time for us to pack our bags and leave. Although it was a short camping trip, I still enjoyed it very much!
