Happy Learning Primary School

7th July 20XX

Dear students,

It's the end of the school year! I am sure you have already made plans for the summer holiday. However, the teachers and I still hope that you can spend some time of the holiday on your studies, especially the P.6 students of the next school year, because your exam results will **determine** your secondary **school places**.

There are also a few things I would like you to note:

1. School uniform

Some of you might have grown bigger and taller this school year. The school uniform may not fit you in the coming school year. If so, please do not throw your old uniform away. Help the **needy** by donating your uniform. There will be a collection box in the playground until the end of August.

2. Library assistants

The school library would like to **recruit** more student helpers. Those who want to help can fill in a form in the library and hand it in to the **librarian**.

Have a great summer!

Yours faithfully,

CHAN
