Subject: A Memorable Christmas Party

Hi Markus,

I held a party in my house on Christmas Eve. I invited my best friends to come. My parents made a lot of yummy food for the party. Then they went out. My friends and I ate the food and chatted happily. Suddenly, the lights went out. We were frightened and screamed loudly.

Luckily, my parents were home very soon. They lit some candles and told us to calm down. Soon the lights came back on again. What an unforgettable Christmas party!

How did you spend your Christmas? Write back soon.

Yours,

Rory

Hi Markus,

I held a party in my house on Christmas Eve. I invited all my best friends to come. My parents went out after preparing a lot of delicious food for the party. My friends and I sat around the table in the dining room. We were enjoying the food while we were chatting happily. Suddenly, the lights went out. I couldn't see anything at all as the whole house became very dark. We screamed loudly because we were frightened.

Luckily, my parents were home very soon. They lit some candles and told some interesting Christmas stories to calm us down. Soon the lights came back on again.

What an unforgettable Christmas party!

How did you spend your Christmas? Write back soon.

Yours,

Rory
