This morning, Ricky and I played with a toy car at home. We were really excited! Mum walked by with a large box in her hands. She couldn't see the toy car on the floor. She stepped on it and fell down.

Mum's back was really painful. Ricky and I were really worried. Dad called an ambulance and Mum was sent to hospital. Luckily, her injury wasn't serious. She received treatment at the hospital. Later, she felt better and came back home. Ricky and I have learnt that we need to be more careful when we play with toys at home next time.
