My family and I went to Japan last week. On the first day of the trip, we went shopping. Mum bought some dresses and I bought many cute pens and dolls. We also tried a lot of Japanese food. I like cold noodles and sushi most.

On the third day of our trip, it was snowing outside when I woke up. I ran out to play in the snow and built a snowman. On the next day, we went skiing in the mountains. We all had a great time in Japan. I hope I can go there again soon!

**Very Good!**

During the Chinese New Year holiday, my parents and I went on a four-day trip to Japan. On the first day of our trip, we went shopping. Mum bought some dresses and I bought many Hello Baby pens and dolls as they were cheap and cute. We tried a lot of traditional Japanese food too. I like cold noodles and sushi most. However, Dad loves sashimi most. He said it was very fresh.

On the third day of our trip, it was snowing outside when I woke up. I was very excited as it was my first time to play in the snow and build a snowman. On the next day, we went skiing at a ski resort. We all had a great time in Japan. What a wonderful trip! I hope I can go there again soon!

More details about the dates and duration of the trip are given. These can make the plot more realistic.

Indirect speech is used to summarise briefly what a character said.
