

Read the first part of the story.

Be a witch (Part 1)

Nala and Moca like magic very much. One day, they dress up as witches. Nala takes out an old pot and fills it with water. She puts it on a fire. Moca puts some frog legs and her smelly socks in it. Nala puts some roses and banana skin in it. Moca uses a spoon to stir the water. They dance and sing around the pot.

'Abracadabra!' Nala says. She learns it from a magic book.
'Abracadabra!' she says again.

It is quiet. Nothing happens. Nala is unhappy. Moca feels bored. She leaves Nala's home. After Moca goes, Nala's nose and ears feel strange. She looks in a mirror and she is scared...

Test your understanding.
