The Special Day

On the most special day in May,
We get up early but do not play.
Plans are there to draw a card,
To tell Mum we do work hard.

5

We put it quietly by Mum's bed,
And then we cook eggs and bread.
The first time we try all we can,
It's great to see what's in the pan!

So glad, I want to jump and scream,
Waking Mum up from her dream.
Happy with joy she cannot hide.
'Mum, we love you deep inside!'
