

Read the story.

One day as Bob was walking home after school, he found a bag in the street corner. It looked heavy. He opened it. 'Wow, there's 5,000 dollars inside!' Bob cried out. He saw a note in the bag too. There was an address on the note. Bob knew the address. He took the bag and headed there.

When he got to the address, a lot of people were waiting there. A man came up to Bob and said, 'My dear child, thanks for giving back the money.'

The man looked rich. 'Is this your bag?' Bob asked him. 'Yes,' the man replied. 'I put bags of money in different places all over the country. Five days passed, and you were the only one to give back the money.' To thank Bob, the man gave him \$500,000.

'As a good citizen, I should do so. I'm not doing this for a reward,' said Bob. The man smiled.
