Miffy's Diary September

24 Sunday

Maggie invited me to McDonald's for lunch. I'd like to go and have a hamburger and fries but I can't! I've gained 7 kg this month. I can't eat fast food anymore! I look like a pig now.

25 Monday

Today is a holiday. In the evening, my family all went outside to watch the full moon and ate moon cakes. But I didn't eat any. I should control my weight.

26 Tuesday

Mum is good at cooking. After school, I found that she had made a cheesecake again! It was so delicious that I ate a lot. Oh, I don't know how I'm going to get fitter.

27 Wednesday

Today is our school picnic. We brought our own lunch. Lisa brought bread and water. Tom brought hot dogs and milk. I brought sandwiches and juice. When we started to eat, Tom cried, 'Where's my lunch?' I wanted to eat less anyway. I shared my food with him.

Test your understanding.
