

## Read the letter.

Dear Angel,

16 June 20XX

How are you in Hong Kong? I am so glad that we can be pen friends!  
I live in Tokyo. In spring, we have lovely pink flowers. I love to look at them! In the city, there are many shopping centres and small cafes. What special things do you have in Hong Kong?  
I have a big family. I have four brothers. They all have English names and are all older than me. They are always very noisy and our parents have to keep them quiet all the time. They like playing football very much. How many brothers and sisters do you have?

At school, I learn in Japanese for most of the lessons, but I have English classes too. My favourite subject is Maths. I am really good at it. My best friend in school is Carina. She comes from Italy. She has big eyes and long brown hair. What is your school like in Hong Kong?

I want to visit Hong Kong some day. I travelled to Thailand last year. It was a lot of fun but I did not like the hot weather. I like London. I went there last summer. The buildings there are very old but beautiful.

Write soon!

Yours,  
Judy
