The Lazy Princess (Part 1)

Once upon a time, there was a princess called Lucia. She lived in a huge palace with the king and the queen. Every morning, the most famous cook in town made breakfast for her. The servants put beautiful clothes and jewellery on Lucia. In the afternoon, she had lessons with Miss Anna. Princess Lucia thought the lessons were boring, so she always daydreamt in class. Miss Anna noticed that and asked Lucia, 'What would you like to do?'

Princess Lucia remembered one day, when she rode on the carriage with the queen, she saw the farmers' children working on the farm. 'I want to go to the farm!' Lucia said. Miss Anna then asked Lucia to put on some old clothes and took Lucia to the farm. 'Remember, when the farmers ask who you are, say that you are farmer Ann's daughter,' Miss Anna told Lucia.
