Subject: My hobby

Hi Ashley,

How are you? I was sad when you left Hong Kong last summer to study in England. I hope you are enjoying your new school life there.

This year, I joined the sports club and my new hobby is playing baseball. The sports club has many different classes for us to choose from. I have chosen the baseball class, because it's new to me. Do you know about baseball? In a baseball game, you have to use a bat to hit a ball. After you hit it, you have to run to four places. We call them 'bases'. In these places, there are people who try to catch the ball. If they catch it before you arrive at the place, you will lose the game.

I go to the baseball class once a week. My classmates and I play at the baseball field at weekends too. Do you have a new hobby?
