Subject: Summer activities

Hi Henry,

Summer holiday will begin next week! What will you do this summer?

I have some ideas about what we can do. We can go to the beach with Angel and Steven. I know you and Steven are in the swimming team. The two of you will enjoy swimming in the sea. Angel and I love walking on the sand and collecting lovely shells. We can play beach volleyball too! Let's go to Stanley Beach. We can have a barbecue there in the afternoon.

We can also spend a day in the Science Museum. There will be an exhibition about dinosaurs in August. Remember *The Dinosaurs Family* we watched at the cinema last month? We all loved it. Steven walks just like the dinosaurs! There will be dinosaur models in the exhibition. We can find out how big the dinosaurs were.

What do you think?

Natalie
