Eating Out

Eric's Cafe ★★★☆☆

This small quiet cafe is a lovely place for afternoon tea. You can choose from the following desserts: cheesecakes, puddings, apple pies... The chocolate mousse cake is the customers' all-time favourite. It is sweet and creamy.

Yum Yum Restaurant ★☆☆☆☆

There are not enough dishes to choose from in this restaurant. The place is a mess. No one cleans up the dirty dishes in the restaurant. The food does not look or taste good at all. All you will say is not 'yum-yum' but 'no-no' in this place!

Mrs Smith's Kitchen ★★★★★

This new French restaurant is a great surprise. Mrs Smith brings her secret recipes from France to Hong Kong and makes special French dishes. There are candles and beautiful flowers on the tables. The perfect place for a romantic dinner.

10

Fresh Sushi ★★★☆☆

The sushi in Fresh Sushi is not so fresh. Luckily, the Japanese noodles they serve are delicious. The waiters are helpful and always have big smiles on their faces. If they improve, the place can earn two extra stars.
