

Read the second part of the story.

Kitty Cat (Part 2)

'Ouch!' Kitty woke up when Snowy hit her face with its paws. 'You're a sleepyhead. It took me so long to wake you up!' Snowy said. Kitty looked at Snowy with her eyes open wide. 'Snowy...you...you...can speak!' 'Yes, Kitty Cat. I can speak. I can stand and dance too!' Snowy stood on the floor and started to dance. Kitty pointed at Snowy and laughed at its silly moves. 'Wait! Look at my hands!' Kitty suddenly noticed that her hands have turned into paws! Kitty quickly got herself a mirror. 'Oh, I look just like you, Snowy!' Kitty screamed. 'Shh! Your parents are sleeping!' Snowy said, 'Kitty, when you were born, a witch cast a spell on you. From the day you turn 10, you will look like this every night.' 'But why did she do that?' Kitty asked.

'The witch and your grandma were good friends. But the witch loved to play tricks on others. One day, your grandma told her to stop and she didn't listen, so she cast a spell on your family,' Snowy told Kitty. 'My grandpa was your grandma's pet. She was very kind to him, so I'm here to help you! Drink this medicine and you won't turn into a cat every night!' Snowy gave Kitty a bottle of red juice. 'I don't want the medicine,' Kitty said. 'It's fun to be a cat at night!'
