Carol's Diary

19 December

I am so excited about the Christmas holidays! Our family is going to Australia to have a warm Christmas this year. It will be my first time to ride on a plane! We will leave Hong Kong three days later.

21 December

Mum and I went to a department store to buy swimsuits today, because Dad said we would go to the Gold Coast in Australia. I chose a pink swimsuit with red flowers on it. It looks cute!

23 December

I am in Australia! I stayed on the plane for the whole day yesterday. It was a long flight but I was not bored. I watched a cartoon on the plane. The view out of the window was lovely too. I have never seen clouds so close!

25 December

Today I saw Santa Claus on the beach. He was sweating! He shook hands with me and gave me a sweet in the shape of a stick. At night, we went to Aunt Lily's house. She taught me to bake a pie. Mum and Dad said it was delicious!
