Dear Parents,

Last week, teachers found old textbooks and broken stationery in some students' school bags. So we would like students to tidy up their school bags by themselves every day. Starting from next Monday, teachers will check students' school bags once a week. If your children's school bags are too messy and heavy, they have to make them tidy at the school office.

Thank you for your attention.

Be a Stone Collector

By Sue Li

Many people like collecting things. Some collect stamps or bottles. Some collect small stones.

Stone collectors go to the beach to find stones. 'You can bring a bucket to put the stones in and a spade to help you dig,' a stone collector says. 'Sometimes, you have to spend the whole day at the beach under the sun to find a good stone. So you may feel ____? ____.'

Stone collectors like the different colours of stones. Some of them like using the stones to make crafts too. Do you want to be a stone collector?
