

2.

Today is the saddest day in my life. Millie, my dear cat, died this morning. When I was six years old, I asked Mum for a pet. But Mum did not say 'yes'. Three days later, Dad bought a kitten from a pet shop for me and I named it Millie. I really miss it.

Millie was Susan's cat. Who bought the cat?

- A. Susan
- B. Susan's mum
- C. Susan's dad
- D. The pet shop owner

3.

Let's Practise

 10 min

Patrick is reading an article in his school magazine. Read it carefully and choose the best answers for Questions 1-4. (8 marks @ 2 marks)

Mobile Phones

Today's mobile phones have more functions than ever. All of **them** can connect to the Internet. You can look for information and enjoy many kinds of entertainment, like watching videos and films, listening to music and playing online games. These days, mobile phones are also **equipped** with high quality cameras. People can take beautiful photos just by using their phones. **Apart from** taking photos, people can also use their phones as **digital** wallets. Just enter your credit card details in the digital wallet **application** and you can pay with your phone!

Mobile phones are indeed useful in our daily lives. However, they can also bring us different problems if we do not use them properly. For example, looking at the mobile phone screens for a long time can be harmful to our eyes. Playing too many games or watching too many videos on mobile phones can affect our studies as well. It is important that we are aware of the **drawbacks** of mobile phones and use them wisely.

1. In paragraph 1, what does **'them'** refer to?

- A. Mobile phones
- B. Videos and films
- C. Online games
- D. Digital cameras
