Subject: Amazing Present

Dear Uncle Ben,

How's life in Japan? I am sure you are busy with your studies.

Thank you very much for the birthday present. The jacket is cool. It is my favourite lemon colour. The bear design on the jacket is so cute. I hope you can come home soon, then we can see your magic tricks.

Your birthday is coming. We want to celebrate your birthday and Christmas on the same day. Do you have any ideas about the party?

Love,

Tom
