Jessica is reading a poem about a shopping centre.

Shopping Fun

The shopping centre is grand,
 Building on a piece of new land.
 There is a big shop that sells toys.
 5 It is crowded with girls and boys.

In the next shop, Mike wants a file with a little mouse.
 Ada wants to get a pencil box that looks like a house.
 Mum is bringing the kids to an ice cream shop.
 Then go to a shop to buy a big lollipop.

10 Mum loves the pair of shoes in blue.
 She is paying for the red ones too.
 Mum wants to try on a fancy dress.
 But the changing room is a mess!

We are going to watch a movie.
 15 That's great. Gee!
 The shopping mall has all the things indeed.
 Don't forget to bring a recycling bag in case you need!
