Angela is reading a story about Bob and his father.

Is Daddy fine?

Bob has a great father. His dad is forty years old. He is short and fat. He is the manager of the IT department in a bank. He has to handle the data of customers every day.

At weekends, Bob's dad often brings his family to the countryside. They have picnics and take photos. Sometimes, they play badminton at the sports centre.

One day, Bob watches the news on TV about a robbery in a bank. That's where his father works! He feels scared and calls his dad but no one answers. Suddenly, the door bell rings. It's Dad! He comes back with a loaf of bread. He doesn't go to work. 'Why are you crying, Bob? It's my holiday today. Let's have breakfast now and go to the museum,' says Dad.

At last, the police catch all the robbers and nobody gets hurt. Dad is pleased that Bob loves him so much.
