

# Revision 5

You are Jerry. You are reading a story.

Lily is a fat cat. She is ten years old. She lives with her master, Peter in a small village house. Peter loves Lily very much.

Nothing makes Lily excited. She does not like balls and strings. She only likes sleeping. Peter wants Lily to do some exercise because she becomes very big.

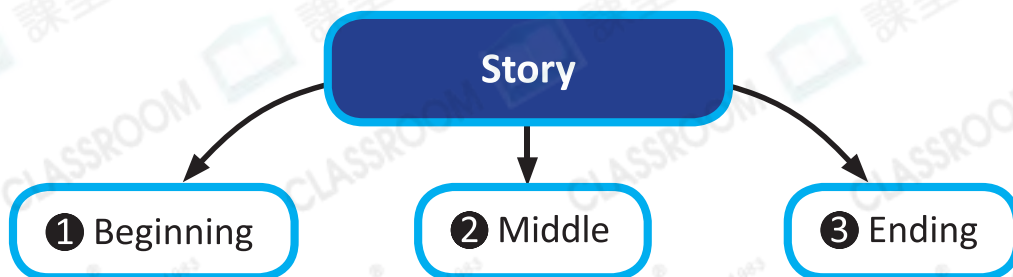

One day, Peter buys a computer. Lily finds her new sleeping place! Not the computer, it's the paper box! Lily likes playing with and sleeping in the paper box. Peter thinks of a new way to make Lily do more exercise.

Peter puts many paper boxes in the house. Lily is very happy and runs around the house. She jumps in and out and plays around the boxes. After some days, she becomes very fit!

## A Text Type Features

What makes a story? Write the correct numbers in the above boxes.

## B Vocabulary

Complete the book report with the words from the text.
