

Annie is reading a conversation between Sophie and Ben.

Sophie: Mother's Day is coming. What shall we prepare for Mum?

Ben: Hmm... I think we can buy her a handbag.

Sophie: She has many handbags. Let's buy her something else.

Ben: Oh, I know. We don't need to buy her a gift. **Mum has a sweet tooth.** We can bake a cake for her. You have a lesson with Aunt Helen every Saturday.

Sophie: Yes, that's a good idea! I can teach you, Ben. Shall we make her a cheesecake?

Ben: How about a fruit cake? It is healthier.

Sophie: Alright.

Ben: What kind of fruit do we need to buy?

Sophie: Mum likes all kinds of fruit so we can buy apples, oranges, strawberries...

Ben: Oh, I have a better idea! Let's pick our own fruit in the strawberry field with Dad!

Sophie: You're right. The cake can be more special in this way. It is a strawberry cake with freshly-picked strawberries! Mum is going to be so pleased!

Ben: Come on. Let's ask Dad when we can go for our visit.
