 Mum and Dad promised to take me there next month. What do you think about Cartoon Theme Park? Please recommend some games to play there!

 Well... I've been there three times already this year. I've an annual pass so I can visit the park as many times as I want in a year. I went to Bear Hunt Ride there. You can see fierce cartoon bears chase you while on the ride!

 That sounds attractive! I am going to visit the park next week on my brother's birthday. Are there any games suitable for kids under five years old?

 Hmm... for small kids, I suggest Fun Swing. Kids can ride on the colourful swings and listen to some nice cartoon songs too. Don't miss the live cartoon shows at the theatre. Also, check the time of the performance before **you** go!
