Dear Rex,

5 How are you doing lately? It has been a long time we haven't seen each other since I left Hong Kong. I remember well the time when we were in Primary two. We played happily in every recess. That brought me lots of good memories. Do you remember that?

10 I am now studying in a school called Brighten Primary School. It is a school with many overseas students. Those students mainly come from Korea, India and France. I am different now. I have turned from a shy boy to an outgoing person. I always take part in different outdoor and group activities. Do you also want to join some clubs?

15 When I was playing video games with my friends at home last week, I found a cockroach on the wall. My friends were afraid and they screamed. I told **them** to stay behind me and I caught the cockroach! Do you remember I was afraid of cockroaches when I was little? Now I am brave. I am able to take care of myself. I am no longer the little shy and weak boy as before!

20 Please drop me a few lines to tell me about you.

Love,

Tim
