I made a big mistake! I was wrong and careless. I hope people could forgive me although I know it's hard.

I was checking my writing to meet the deadline for an English writing competition this afternoon. Mr Leung said I had to submit it before the end of the lunch break so I was rushing to finish the checking. I really wanted to join the competition!

While I was working, Gary came and talked to me. He hit my pencil case with a ruler and made a loud noise. It was disturbing! At the beginning, I ignored him. I continued to work until he hit me with his ruler. Then, I kicked him in order to stop him. Unexpectedly, he fell down and his ruler cut his face. A lot of blood dripped down his face! I dropped my pen and screamed!

At last, I was not able to finish my piece of writing in time. Mr Leung came in the classroom and helped send Gary to the medical room. I feel so sorry for what I have done. I hope he will be fine.
