Life is challenging

There are always challenges in our lives no matter who we are or what kind of family we are from. However, **this** does not mean that we have to feel upset because there
5 are many ways to solve the problems.

Ways to face difficulties

Remember that finding methods to solve problems is the most important. Here are some tips for you when problems arise and you feel frustrated about them.

- 10 ◆ Talk to the people you trust. Parents, relatives and teachers are always here for you.
- ◆ Ask your friends to see whether they have had the same kind of problem before. Invite them to share with you on how to solve the problem.
- 15 ◆ Believe in yourself. Stay focused on your goal and don't give up. Be hopeful about the present and the future. Life is beautiful!
