My lovely Class 4B,

How have you been lately? You have enjoyed your summer holiday for a month already.

I am glad that some of you sent me e-mails to tell me how you have been recently. Debbie has just finished her travels in Vietnam and Jimmy said he would need to practise for the judo exam in the coming September. How about the rest of you?

Although you may have lots of things to do and I know you don't want to disappoint your parents, I hope you will leave some time for yourselves to do something fun such as doing sports and playing musical instruments. Watching interesting and educational movies is also good for you.

I hope every one of you can share with one another how you spend your summer when we meet again in September!

With love,
Miss Yip
