

Comic strip

Cindy is reading a comic strip about bullying at school.

1 Dora, what happened? Why are you crying here?

I'm fine... I just feel a bit sick.

I... I was bullied by some classmates.

2 Please be honest with me. I promise not to tell others.

However, from Dora's facial expression, Miss Wong could tell something bad happened.

3 Eva and Rita, did you bully Dora?

No! Of course not.

Miss Wong decided to investigate the details.

4 Really? Someone saw you laugh at Dora and push her. If you don't tell the truth, I am going to call your parents.

Please don't!

At first, the two girls did not admit that.

5 You should think about the consequence. She might get seriously hurt.

We are sorry. We did that just for fun.

Luckily, they understood their mistakes after listening to what Miss Wong said.

6 You should **put yourself in her shoes**. How will you feel if this happens to you or your friends?

We promise we will never do it again. Please forgive us.

They finally knew that they should take care of others' feelings.
