

Helen is reading a comic strip about the Wong family.

1

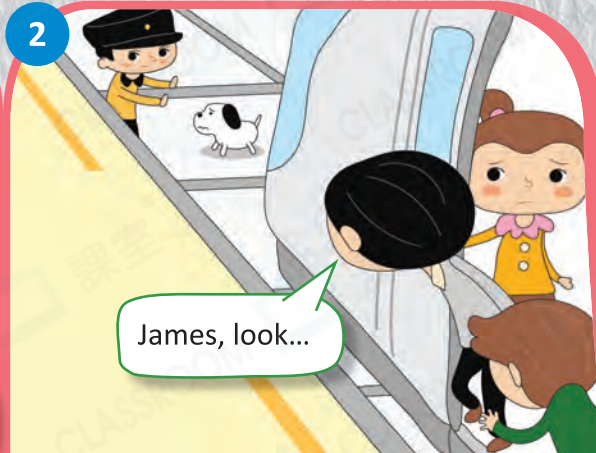

Why isn't the door closed?  
What's happening?

The Wong family was travelling on the MTR today.

2

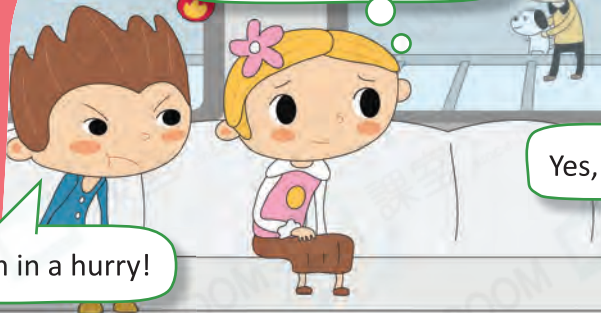

James, look...

There was a dog on the rail track and the staff was trying to get it out of the way.

3

I hope the dog is fine...

I am in a hurry!

The train driver sounded the horn and the frightened dog ran towards one of the staff who carried it up safely onto the platform.

4

Is the dog alright?

Yes, no worries!

I hope Grandma hasn't been waiting long in the restaurant!

Dad and James returned to the compartment. At last, the MTR moved again.
