You are Andrew. You are reading a survey report on the noticeboard.

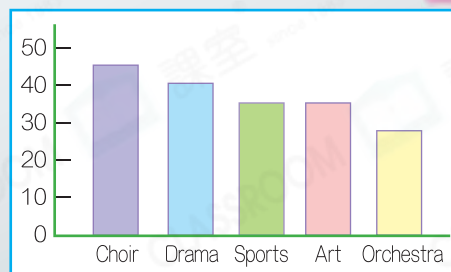

John Martins International School Favourite After-school Activity Survey Report (20XX-XX)

The school has conducted a survey with Form 1 students (180 in total) about their preferences on after-school activities. I hereby announce the results and details.

The results show that a quarter of the students like the choir best. It is because those who join this class can represent the school to participate in the inter-school choir competitions. The drama class also received many votes. The students prefer this class because they can watch hot musicals like 'Night Fever' and 'Happy Pirate' at different town halls. For other activities, they also receive support from a certain amount of students.

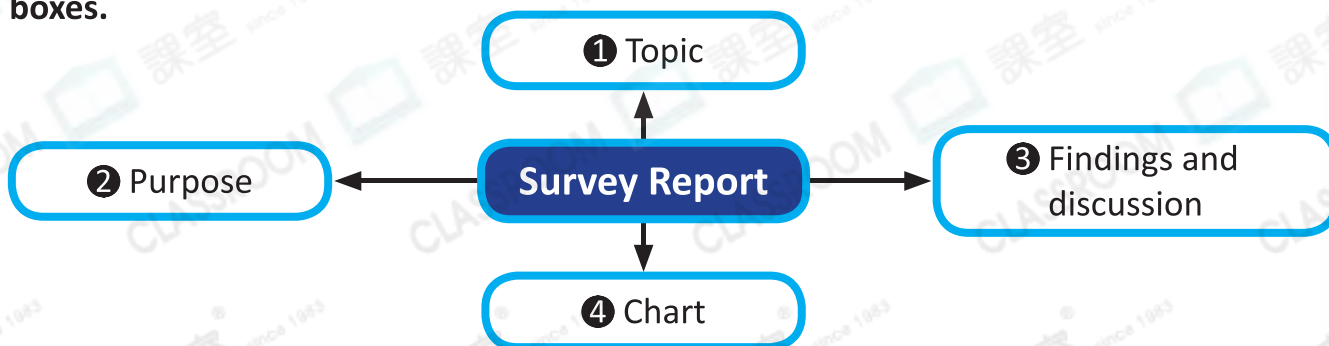

I along with fellow teachers will get together to plan for next year's activities. We hope students will enjoy the classes and learn with excitement and fun. The activity details will be uploaded to the intranet on 15th September. For enquiries, please contact Miss Jenny Au at the school office.
