

Eric is reading a comic strip about Nick.

In the morning, Nick was late for school. He stormed into Miss Chan's classroom.

That afternoon, he played basketball in the playground during PE lesson. He bullied and pushed a teammate.

Later, he went to take a rest at the staircase. He sat down on the stairs, took out a comic book from his school bag and began to read it.

Finally, it was time to go home. Nick could not get on the train because many people blocked the aisle.
