

Revision 2

You are Nina. You are reading two film reviews.

Film Review A

Scream (III)

Scream is bad in every way. The film is shot in a haunted mansion that is almost entirely dark for the whole movie. It isn't easy to distinguish the characters. Too many sound effects are added at the wrong timing. I didn't feel frightened coming out of the cinema, instead I felt confused. Bruce Lloyd's love stories are great but the horror genre is not his 'cup of tea'!

Film Review B

The Boy in Me (IIA) (2015)

Emma Wilson

Plot: The adventures of Natalie, a young girl who pretends to be a boy so that she can join the football team.

Review: I was pleasantly surprised by this film. The story has a twist near the end which left me full of tears. It's not just about football but also friendship. It's a fast-paced, playful and compassionate movie all in one! I strongly recommend this to you all!
