Lead in Water

Water authorities have taken samples from our housing estate in mid-October. Random samples were taken from water pipes of some blocks, including Blocks 3, 8 and 12. Tests are being conducted for lead elements and other harmful components. We will have the results in around two weeks.

Dog Fouling

We have received a few complaints regarding dogs fouling in the public areas on our estate. We have public dog excreta collection bins set up near the children's playground, near the pond, at the garden and near the basketball court. Please be considerate and clean up for your dogs.

Car Park Stickers

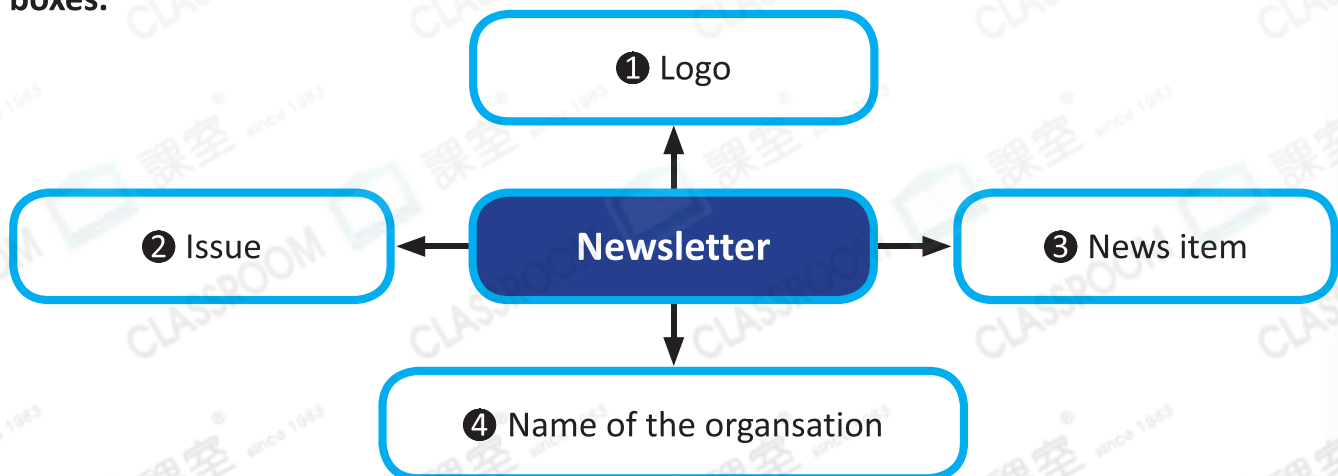

From Jan 20XX, we will issue reusable stickers to all monthly car park residents instead of the paper slips. Please stick them onto the inside of your car windscreen at the start of each month so we know the payment details.
