Subject: I know what I want to be

Hi Anna,

5 I couldn't sleep last night. Why? Because I finally decided what I want to be when I grow up. I have to tell you as soon as I get up.

Yesterday, while I was walking home from school, I saw a fire break out at one of the buildings on my estate. A family of four including two children was trapped in the burning flat. I could see the mother and father waving a towel out of the window.

10 One of the girls kept coughing badly. Another one started feeling faint. A crowd began to gather and the firemen sprayed water at the flat. Suddenly, I saw a brave fireman swing down from the 9th floor. He quickly grabbed the two children. They were finally safe. The fireman then went to save the woman. This time, he climbed down a rope ladder and helped the woman leave the flat. At last, all members of

15 the family were rescued. Everyone applauded as they continued to fight the fire. It was put out within 30 minutes. I was late home and Mum wasn't pleased. However, I know what I want to be now!

Anyway, I have to dash. I'm late. The Principal will hold an assembly this morning. Do you have a dream job?

20 Is it related to animals? I know you love them.

Best,

Nick
