It's my 12th birthday today. It is the best birthday I have ever had.

In the morning, I attended my weekly
5 badminton practice at school. I didn't expect that my coach, Miss Wong and my teammates prepared my favourite chestnut cake for me. Later, Mum picked me up and we went to a hotel to enjoy a
10 buffet. We tried every kind of seafood and desserts there while Dad acted like a super meat monster as usual. I liked the oysters best. They were so fresh and tasty!

We all felt like a balloon after having such a
15 lot of wonderful food. Then, we went to the nearby shopping mall to watch a movie.

At night, we went to a floating Chinese restaurant in Aberdeen. When I entered the room, I was shocked since all the relatives
20 were there, including my beloved cousin, Zoe! I burst into tears when I saw Grandpa and Grandma. They came all the way from Guangzhou to have the birthday dinner with me! My family didn't buy me a cake, they
25 ordered steamed longevity buns instead. Uncle Jim placed a candle on my bun and sang 'Happy Birthday' to me. I could feel that my face was as red as a tomato.

I am so fortunate to have a warm family
30 and a lot of good friends. I understand that I should not take them for granted. From now on, I will treat them even better and be less selfish. Having all of them in my life is my biggest pleasure!
