

Look at these animals. Do you know what they are? Come and learn more about them!

Alpaca

Alpacas and sheep look quite similar. People make sweaters, scarves and blankets from their wool. We can see them on farms in Japan, Canada and New Zealand.

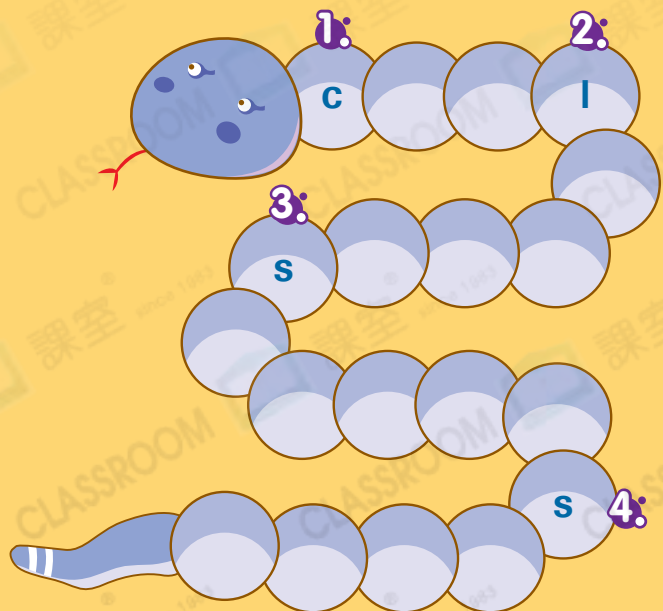

Desert Fox

These little foxes live in deserts. Their body heat can go out from their big ears so they can feel cool. It is not too hard for them to find food because they eat both vegetables and meat.

A Complete the word snake with the correct words from the text.

- 1: The big ears on desert foxes can keep them _____.
- 2: Quokkas eat _____ and grass.
- 3: People use the wool from alpacas to make _____.
- 4: Alpacas look like _____.

Quokka

Quokkas live in Australia. Just like kangaroos, quokka mothers carry their babies around in their pockets. When they see people, they may go and ask for food. They like leaves and grass.

B Match the places with the correct animals. Then, rearrange the letters. Finally, rearrange the highlighted letters to find out what the girl is saying.

1.
