

We celebrate different festivals.

Christmas

Christmas is the birthday of Jesus Christ. Now, Christmas is also the time when people share the joy with their family and friends. Children like Christmas because they can have gifts from Santa Claus!

Halloween

People dress like monsters or pumpkin heads at Halloween. Children knock at their neighbours' doors and ask, 'Trick or treat?' The neighbours usually smile and give them sweets.

A Write 'T' (true) or 'F' (false) for each sentence.

1: Santa Claus's birthday is on Christmas day.

2: People celebrate Christmas with family and friends.

3: Children can get sweets at Halloween.

4: Children eat eggs at Easter because eggs are yummy.

Easter

People celebrate the rebirth of Jesus Christ at Easter. Children find, paint or eat beautiful eggs because eggs and chicks carry the meaning of 'rebirth'.
