MY Favourite Festival

Kayla Chan P.2D

Mid-Autumn Festival is the festival I like best. We celebrate it on the fifteenth day of the eighth lunar month. It is usually in September. We can see a full moon that night. **It** is round and bright. Some people think a beautiful woman
5 and her pet rabbit live on it.

On that day, we usually eat at home. Mum and Dad always prepare mooncakes and a lot of fruit because we have dinner with my grandparents and relatives. Mum and Grandma cook many Chinese dishes. Most of the food have
10 lucky names.

After dinner, we play with lanterns in the park. Then, we eat mooncakes and pears there. Mum likes white lotus seed paste mooncakes. I like snowy mooncakes
15 because they have many flavours.

I like this festival very much because my family can come together and have a great time!
