

Poem

Ray is writing a poem about having fun with friends.

Good Time with Friends

I like staying with friends in my class.

At recess, William and I play chess on the grass.

Betty, James and I enjoy the Science lessons

Because Mr Lee is kind and answers all our questions.

Last month we had a school picnic.

I grouped with Alice, Henry and Nick.

We were excited and played hide-and-peek.

After that, we ate sandwiches at The Peak.

Our class Christmas party is coming soon.

After the examinations, we can have fun on Friday afternoon.

We can sing and dance with Miss Tan

And eat as much yummy food as we can!
