

# Diary Entry

Sharon is writing a diary entry about her day at Ocean Park.

Sunny 

8<sup>th</sup> August (Monday)

Today, I went to Ocean Park with my friends, Sophia and Lara.

We arrived at ten o'clock and decided to go to the High Land first. It had all the fastest and scariest rides. Since it was on the other side of the mountain, we went there by cable car. We were surprised to see the sky so  
5 clearly through the window. The view was fantastic!

After we got out of the cable car, we rushed to queue for the rides. We simply could not wait! We rode on the Flying Swings first. It was Sophia's favourite ride. After that, we watched the Dolphin Show at Ocean Theatre.  
10 The dolphins could push the trainers across the pool with their noses. I was so amazed!

We rode on the bumper cars twice. Then, Lara and I went on the Raging River. Sophia didn't go because she was too scared. The Raging River looked relaxing at first. However, after the boat came out of a tunnel, it sailed  
15 straight down the river instead of going ahead! We did not put on raincoats so we all got **soaked**.

At the end of the exhausting day, we visited the souvenir shop. Then, we had a quick dinner in a fast food shop  
20 in Causeway Bay. I hope we can go to Ocean Park again soon!
