5 Dear Mum,

Australia is a really great place! I am glad that I joined the study tour. My best friend Tammy is here with me and we had a lot of fun together!

Today, our teacher Miss Taylor brought us to the Blue Mountains. It was only 6°C in the morning and I felt even colder on the mountain top! The beautiful scenic  
10 spot has the largest eucalyptus forest in the country. Do you know eucalyptus trees only grow in a few parts of the world? They are very important to koalas because they mean food and home to them! We also took a cable car down the deep, narrow valley and saw an old railway system. It was once the steepest railway system in the world! It was an amazing adventure through the unique  
15 natural landscape and we enjoyed **ourselves** there so much!

We will join a local tour to an aquarium in Sydney tomorrow. Australia is famous for its colourful coral reefs, so I hope we can see some of them! We will then visit the Opera House and  
have dinner next to a bridge at Darling

20 Harbour:

Write back soon!

Love,

Daisy
